FROM THE SECRETARY'S QUILL

February 2016

Delegates, Commodores, Past Commodores, A.B.Y.A. Past Commodores,

I don't know about you, but February just flew by for me. Looking back I can see why. The February GMM had a Great Macomb County Sheriff Marine Division Deputy speaker, the Safety Books arrived, and were distributed. The Boat Show was at Cobo Center. At the MacRay Educational Series February 25, 2016, The Detroit Power Squadron's Educational Officer P/C Vincent A. Cooley, JN and Assistant Educational Officer P/C David A. Caldwell, JN prepared an excellent presentation on Boating Safety. To everyone who administered the series and all that were present, THANK YOU.

Now going into March, the Club activities are heating up. On the ABYA Calendar alone, we have the next GMM March 7, 2016 @ 7:30 pm. at JYC.

My favorite activity is the Midland Spring Rendezvous, an ALL WEEKEND, ALL INCLUSIVE at a GREAT PRICE, with the rubber band boat race on Sunday. Bring your boat to race, or to show. There are still a couple of rooms available. Toward the end of the month is the millionaire party March 30 – April 2. Fliers attached below.

Remember as Delegates, Commodores, and Past Commodores, have taken on, the over and above responsibility of not only safe boating and education practices, also to be the liaison to your clubs. This duty entitles communicating the events which are taking place within the various clubs of the A.B.Y.A., and the organization itself. E-Mail me your Club fliers at least one week before the meeting, for distribution.

Please distribute all the information to your clubs, to help further the success of our activities.

Dinner reservations are being accepted for the March General Membership at JYC, the phone number is 586-773-0404 the date is March 7, 2016 at 7:30 pm. hope to see you there.

Secretary
Craig Skupny
