FROM THE SECRETARY'S QUILL

January 2011

As we begin this New Year we want to welcome all new and continuing Delegates and Commodores. We look forward to meeting all of you. I would like to thank the board for making me feel welcome and Terry Dunn for making the transition into this position an easy one. Jill and I are excited to be working with such great bridge officers and look forward to challenges that being secretary of ABYA will bring. We plan to give it our all in helping this and the future boards continue the great work this organization does and make sure we continue to make a difference in all of our Boating Communities.

If you missed the delegate presentation or would like to show it to your club members, it will be posted on our website, www.abya.org, along with all other information and updates. The website also has the general membership meeting flyers and any paper work you may need. You will need to sign up for secure access.

We will continue to process as much information as possible electronically for cost savings as well as expediency. This will also include the Delegate Packages this year. If you need a hard copy, there will be a few available at the March meeting after the Roster has been completed. We still have some clubs missing information. We will complete this process and have the Delegate Packages out in February with or without the information. Thank you for your cooperation and understanding in this matter.

If you wish to have flyers for your club's events published in the Quill, please e-mail a copy to me, rromatz69@yahoo.com, or rromatz69@att.net

ABYA suffered a great loss this past Holiday Season with the Passing of 1996 P/C Frank Jeroue, as he sets sail for greater seas than ours. Please keep him and his family in your thoughts and prayers.

Also keep in your thoughts and prayers, Vice Commodore Lynda Marek-Bruley and her husband Len for the loss of Len's mother, Marilyn. She will also be greatly missed.

Respectfully,

Rick Romatz

Secretary ABYA 2011
