FROM THE SECRETARY'S QUILL

March 2010

Thanks to Jefferson Yacht Club for hosting the March ABYA Meeting. The Board truly appreciates the efforts extended to make the Meetings successful and enjoyable for everyone. We would like to also thank Captain Luke Clayborn, of "Pride of Michigan" and Noble Odyssey Foundation, our guest speaker for the meeting. Captain Luke gave an excellent talk on the mission of the Sea Cadet Program and their exploits on their cruises on the Pride of Michigan and the work they do.

Visit our website, abya.org, for information and updates. The website also has the general membership meeting flyers and any paper work you may need. You will need to sign up for secure access.

Sailing singles was inadvertently omitted from the Commodores ball list as reciprocal club (for this purpose, reciprocal is defined as extending courtesy tickets for your Commodore's Ball to the Commodores and their spouses of other reciprocal clubs). Delegates, please review attached corrected Commodore's Ball list and advise ABYA secretary if corrections are necessary. Also, find an updated 2010 Roster.

We will continue to process as much information as possible electronically for cost savings as well as expediency. If you wish to have flyers for your club's events published in the Quill, please e-mail a copy to The ABYA secretary at t_m_dunn@comcast.net.

Respectfully,

Terry Dunn

Secretary AYBA 2010
