FROM THE SECRETARY'S QUILL

June 2010

A special thanks to Idle Hour Yacht Club for hosting the annual ABYA Spring Charity Dinner Dance. The weather was sunny and warm but wet and the party was great and it looked like everyone had a great time. The entertainer, Jotown, kept the place hopping until closing for those who were able to keep going that late. The board truly appreciates the extra efforts extended from Idle Hour Yacht Club to make this event successful. Also, the Board would like to thank all of the members that attended, we appreciate your support. I would like to thank Fleet Captain Rick Watros and Jacque for all their hard work and planning.

The Celebrate the Lake event at MacRay Harbor was a very busy weekend. The booths and displays were very informative. The Charity Spaghetti dinner was great meal and a deal at only \$8.00 a person. Afterwards we watched the Rubber Boat Race Practice and the ABYA board struggle with the timing equipment. Sunday morning, without the timing lights, the race was done drag race style. The winners: 1st place Class A – HPYC, 1st Place Class B – BBYC, 2nd Place Class A – WPYC, 2nd Place Class B - WPYC
Following the race, MacRay's put on a terrific breakfast.

A reminder that the July GMM will be at Belvidere Boat club but has been moved to June 29th due to the 4th of July holiday. Uniform of the day will be whites and Island meetings start at 7:30 pm. There will be NO meetings in the month of July this year.

We are also reminding all delegates that any Delegate attending a General Membership Meeting must be in a complete uniform of the day to be eligible to vote.

As of this date, we have not received any written requests from a club to host a General Membership Meeting for next year. If you would like to host a meeting you need to send a letter written on your club letterhead signed by the incoming Commodore indicating the month you would like to host the meeting. After October 1, 2010, if you do not send a letter we will assume you are not interested in hosting a meeting next year.

Thanks for your continued support; we are looking forward to seeing you at our June 28th meeting.

Sincerely

Terry Dunn

Secretary
